

IMPORTANTE: Se siete soggetti intolleranti o allergici chiedete allo staff la tabella degli allergeni del menu. Nonostante garantiamo una preparazione separata in accordo con quanto da lei indicato, vogliamo sottolineare che non possiamo garantire la completa assenza di contaminazioni crociate dovuta agli spazi ridotti della nostra cucina e all' intensa attività durante il servizio.

IMPORTANT: If you have any food allergies or intolerances please ask the staff for the allergy tableau. Although we guarantee a separate preparation for your meal according to your dietary requirement, we cannot exclude a cross contamination because of the tiny space of our cooking area and of the intense activity during the service.
